## *A day to remember!*

Church, school and community came together on 24 June to witness the confirmation by the Right Reverend Philip Mountstephen, Bishop of Truro, of Mrs Sharron Cartwright, teacher at Veryan school and newly-elected churchwarden.

Uniquely, the service formed part of the school's weekly assembly, with Mrs Cartwright's class filling the choir stalls to lead the singing of two hymns chosen by the children, who also helped to compile the prayers of intercession.

Fr Doug assisted the Bishop throughout the service, which was followed by tea and cakes provided by parents and friends..

Veryan ringers rang after the service to celebrate the event.

Many thanks to everyone who helped in any way to make this very special service such a successful community event.

## **Will Keating & Special Guests**

## Jubilee Celebrations in Ruan

On 2<sup>nd</sup> June at 6 pm the church held a special service to mark the Queen's Platinum Jubilee. It was lovely to see so many people and also the fact that many of them were keeping the order of service as a souvenir. Later in the evening, people went to Ruan High Lanes for the lighting of the beacon. Again, there was a very good turnout.

Sunday 5<sup>th</sup> June started with Holy Communion taken by Bishop Graham. A lovely service, including a sermon which we have not had for a while. Especially memorable for me, as my son's banns were read for the first time.

Preparations for the street party started at 11 am, with the bunting going up. The whole village was looking very festive. By 2 pm, after the road was closed, four marquees had been erected (in case of rain) and chairs, benches and the open backed pews from the church sat either side of a long row of all sorts of tables, the tables and marquees all suitably decorated in red, white and blue. The hog roast was smelling fantastic. People started to arrive just before 2.30 pm. Salad to go with the hog roast was in the Kings Head Pub and a huge array of heavenly puddings were on tables in the church. The sun shone throughout the afternoon, and it was great to see so many people (roughly 200) going in and out of the church, with many sitting on the grass, either side of the path. A fantastic afternoon was had by all.

We now look forward to 2<sup>nd</sup> July, when the church will be holding its annual cream teas. This will also be the start of the Art Exhibition in the church which will run for a week.

## Queen's Platinum Jubilee in Veryan

Her Majesty the Queen didn't make it to the Veryan Platinum Celebrations but then she didn't make it to the Derby at Epsom Races. It was, I fear, her loss as loads of people attended our events over the four days.

The village shone with all the bunting, flags and marquees and the residents really seemed to enter into the spirit of the weekend.

A thespian of our parish strode out in Cornish kilt and St. Pirans toenails to read the Queen's Platinum Jubilee Proclamation. A problem occurred when the word "Tribute" was mentioned, but the pub landlord restored the peace with a suitable refreshment.

Our beacon above Carne Beach attracted about 200 people and it was great that we could see two others, Portscatho and a smokey Curgurrell. The Irish piper and young Oliver on the cornet set the tone for the night. Barry and his team lit the night sky up overlooking Veryan Bay, allowing us to reflect on the past and dream of the future.

The 70 changes on our six bells rang through the village reminding us of how lucky we are to have them and ringers who all reside in our parish.

The big day (Saturday) started dull but dry, with all and sundry checking weather forecasts for the dreaded storm. Luckily it missed us. All afternoon the sound of wood on coconut could be heard on Moor Launder. No it's not a new form of cricket – it was the coconut shy, along with boat races and ballon bursting to mention a few of the stalls that the kids had fun doing. The space hopper race proved a laugh and the tug of war was very competitive. The jury is still out over the result of the final pull between Mums and Dads!!

We asked for people to bring plates of food for the Tea and you weren't shy in filling the plates, with mostly home-baked items.

Our Parish Chairman swung the ceremonial sword to cut the queen's cake and we all sang the National Anthem. We think over 200 people took part in the "Fun".

So, to the evening, luckily still dry, on the outside anyway. The Ceilidh band drew people out to dance and the hog filled them up, some 270 buns were served! (I know, I was the server!)

It was good to see all ages dancing and more than that the general hubbub of people filling the road enjoying themselves and having a chat. This is surely what a celebration should be about, and I feel our village really came together. "This is what our village needed" and "Great knees – up after all we've been through recently" were nice to hear.

The weekend closed with a sunny afternoon watching cricket, or I'm told that's what it was! A great tea was consumed, even though the cucumber sandwiches were rather absent!

Hopefully Her Majesty would have been proud of Veryan's efforts – we certainly were and hopefully those who could all enjoyed themselves.

### **Veryan Women's Institute report**

Veryan WI has had a busy month. Three members represented Veryan by taking our banner to HM The Queen's Platinum Jubilee parade in Truro on 2<sup>nd</sup> June. A large number of Cornwall's Women's Institutes took part, as well as other voluntary groups, a brass band and a choir. Truro's streets were lined with hundreds of people waving flags in glorious sunshine. The parade ended at the cathedral, where there was a short service with hearty singing of 'Jerusalem' and 'Trelawny'.

Sunday 5<sup>th</sup> June saw the WI committee serving tea at the village Jubilee event. The village committee had done a wonderful job of setting up for us, including shelter in our own tent. A well-attended and enjoyably sociable afternoon.

Our monthly meeting on 7<sup>th</sup> June was held at Cornwall Country Flowers, owned and run by Mrs. Alvinia Menary, a member of Mylor WI. Flowers for weddings, funerals and bespoke bouquets are grown, also Christmas trees. We were treated to a tour of the cutting garden, begun seven years ago, with an explanatory talk. Assisted by Mr. Rob Menary, the group was afterwards given tea and home-made cake in the gazebos. This was an unusual visit, much enjoyed by all who attended and donations were made to an arthritis charity.

***New members are very welcome to meetings: first Tuesday of the month 7.30pm in the Parish Hall.***
