Easter Church Activities a Success Across the Parish

Easter, the time of renewal and rebirth, echoed with jubilant celebrations across our parish. It wasn't just a day; it was an entire season of touching sermons, community gatherings, and festive ceremonies that culminated in the grandeur of Easter Sunday. From Maundy Thursday reflections to the joyous echoes of children's songs, each event left a lasting impact on congregants and the community at large. Read on for a recount of how our parish united in the spirit of Easter. *(continued on pg2)*

Easter Highlights and Happenings

The Church Cleaning: A Symbol of New Beginnings

Easter was not just about spiritual renewal—it was about tangible labour and community involvement. The collective efforts of parishioners to clean the church showcased a shared commitment to ushering in a new season. The polished pews, dust-free windows, and gleaming silverware were visual validations of a community that believed in the ethos of fresh starts and cleanliness.

The School Service: A Lesson in Unity

A heart-warming event at the school brought together the younger and older members of our community in a unified celebration. Led by Reverend Douglas Wren, students partook in a reenactment of the Last Supper and created Easter-themed art. The service mirrored that of a traditional Sunday Service, with Reverend Wren blessing each child and offering communion to those who wished for it.

Maundy Thursday: A Solemn Beginning
Our Easter celebrations began with a peaceful Maundy Thursday service. The traditional stripping of the altar held poignant significance, symbolizing Christ's humiliation before His crucifixion. The reverent atmosphere laid the foundation for the reflective days to come, reminding us of the sacrifice at the heart of Easter.

Ruan Lanihorne Walk: Savouring Nature's Serenity
In the hustle of Easter preparations, the walk at Ruan Lanihorne served as a tranquil interlude. The turnout was heartening, and even the skies seemed to honour the occasion as the rain abstained. The walk wasn't just about physical movement but a symbol of collective strides towards a common goal—celebrating the Easter spirit.

The Easter Garden: A Testament to Tradition
The Easter Garden was created by a few children from the community, guided by those who have been at the helm for many a year. The garden has been a tradition spanning generations and it looked beautiful in the church.

Beach Gathering: Welcoming the New Day
With the break of dawn on Easter Sunday, our community flocked to the beach to witness the first light, accompanied by a divine service led by Reverend Douglas Wren and Penny Leach. The sight of the sun rising in the horizon mirrored the concept of resurrection and illuminated the gathering with hope and faith.

Easter Morning in Church: The Crowning Glory
Easter morning in our church was a spectacle of colour and life. Flowers adorned the aisles, the altar gleamed, and candle flames danced—a living tableau of the joyous occasion. The service itself was a culmination of all the preceding events, drawing from the solemnity of Maundy Thursday, the unity of the school service, the diligence of church cleaning, the serenity of the walk, and the hope of the beach gathering.
In the end, Easter wasn't just about individual acts of faith; it was about collective experiences that echoed the very essence of community and spiritual unity. Each activity stood as a testament to the parish's resilience and its unwavering belief in the power of togetherness. As the Easter season fades, its resonance will continue to reverberate in the hearts of our churchgoers, reminding us that every end is a prelude to a new beginning.

This Easter was not merely a festival of faith but a testimony to the tenacity of community. Through shared rejoicing, service and reflection, the parish stands as a testament to the unbreakable bonds that Easter fosters. In every activity and gathering, the message of renewal and unity was as palpable as the sanctity that envelopes our church.

The Easter season encapsulates one of the most sacred traditions of the Christian faith, yet it is so much more. It is a period of spiritual renewal, rekindling the flames of hope, faith, and love. In our Parish, it also stands as a beacon of community strength, unravelling a tale of shared service, contemplation, and joyous gatherings. embraced, the Parish has emerged strengthened, not just in its faith but in its solidarity as a collective.

An appeal for information - World War II

Next year, 2025, will mark 80 years since the end of the second World War, Veryan's war memorial records the names of six men who lost their lives during the conflict. We would like to produce a commemorative booklet, as we did for those who perished in the Great War, but need information about them – their family background, their service record and when and where they lost their lives.

They are
Frederick George Frost, Hampshire Regiment
Victor Leslie Goddard RAF
Harold Leslie Leach [his entry is already in preparation thanks to his family]
Albert Edward Morse RN**
Francis Colin Scott RAF
James Malachi Trudgeon RN**

** these two men also have memorial headstones in the churchyard.

If you are able and would like to help, with information, photographs, service records &c, please contact Christine [01872501727; c.edwards531btinternet.com]

Can you help Veryan Primary School?

A project to rejuvenate the school field on Pendower Road

Many of you may recognize me through the different "hats" I wear. I serve as one of the churchwardens for Veryan, take on the role of editor for this newsletter, assist the committee with the Autumn Show, run a printing business, and have a mischievous corgi who loves to play the escape artist to visit the shop for a friendly hello!

I'm also a proud mum of 2 boys attending Veryan School. My involvement with the school has deepened over the years, from listening to the children read, running an after-school club, to looking after the chickens in the school field. And here is where this story leads me.

The school field on Pendower Road has become overgrown and challenging to maintain. The community cherishes memories of sports days and outdoor learning in this field, and the school's mission is to revive that spirit. They firmly believe that enhancing this outdoor area can elevate the school's offerings, attracting more students and securing the future of the school.

A 5-year plan is in place to create safe, inviting spaces in the field for holistic outdoor learning, as well as providing an area for community events. However, the most **pressing need right now is a shelter** that can double as a classroom. We are urgently raising funds to acquire a yurt, aiming to have it ready as soon as next month. Though the timeline is tight, our goal is to create an appealing area for potential new families as early as the next school year, and we need to act quickly. The target amount is £7000. It would be wonderful if you could help us achieve this goal.

With thanks - Pippa Stephens

What's gone on?

A summary of what's been going on in the village and surrounding areas

We held our March meeting on the first Tuesday in the month. As it was our AGM we didn't have a speaker, instead we held a fun quiz before, which everyone enjoyed, before settling down to the serious part of the evening.
Both the AGM and the business meeting were quite short as the minutes for both and the annual financial statement had previously been circulated for members to see.
Also there are only a few changes to the committee, one member has resigned after many years of support but another has joined; Jean Rigley, our secretary for the last 10 years has decided she is stepping down but Ros Hocking has agreed to take her place and Ruth Harris, our programme secretary has also decided that it's time for a change however, Sharron Cartwright, one of our newer members has taken over and has not only compiled next years' programme but started on the following one!
On Wednesday 28 th February, 7 members, had a most informative tour of the Cornwall Energy Recovery Centre at St Dennis. After introductory and safety talks, we were issued with hi-viz jackets, hard hats and gloves. The tour commenced by showing us black bag waste being offloaded from artic lorries and then on to the control room where we saw giant mechanical claws sorting the waste before it goes into the incinerator. We then continued through the centre to see the incinerator and finally the ash left over that is used for aggregates in the building industry. A second visit is being planned for August and also a visit to the recycling centre in Bodmin. Our next meeting is on Tuesday April 2nd in Veryan Parish Hall at 7:30pm when the speaker will be Lesley Ross talking about Unique Silver Jewellery.

Visitors and potential members are always welcome. Please contact Mary Earp on 01872 501636 for further information.

What a busy term! We have had such a busy spring term!

ST. PIRAN'S DAY CELEBRATION

We started off the celebrations with our very own reenactments of St. Piran's miracles, sang traditional Cornish tunes, and savoured delicious pasties. It was a wonderful reflection of our rich heritage.

Thanks to visits from Pengelly Garden Centre, our playground garden is looking fantastic and our peas are starting to grow!

COMMUNITY POLICING TALK

Our local PCSO visited Kiberick class, fostering trust and understanding between the children and the police in our community.

OPEN THE BOOK SESSIONS
Special thanks to the volunteers who make Bible stories come alive, leaving our children both entertained and educated. The Open The Book team join our collective worship once a month to perform bible stories for our students, and they love it!

ARTS AND CRAFTS WITH MRS. PRISK
big thank you to Mrs Prisk who hosted a season of crafting for our Thursday afterschool club. Next term we launch a Lego & Duplo club, which has proven to be a hit already!

EASTER EUCHARIST SERVICE
A reflective reenactment of the Last Supper brought deep meaning to this Easter, and we are grateful to Revd Douglas Wren for leading us in our service.

Thank you to everyone for making our school life so vibrant and full, and we look forward to the continued learning opportunities the spring season will bring. Bring on the sunshine!

On Tuesday, 9 April, there will be a short service in church in memory of Father Michael Geach RIP at 11 am, to which everyone who knew him is invited. This service will be followed by the interment of his cremated remains near where his sister's remains were buried.
If anyone has any special memories that could be included in an appreciation, please let Father Doug know.

A prayer for April

Almighty Father,
In these weeks after Easter, help us to receive afresh
the new life Jesus' resurrection makes possible.
Lord, come to us. Walk through the locked doors of our fears.
Bring us your peace. Fill us with your Holy Spirit.
Send us onto our daily front lines to share your resurrection
peace and hope and love with those who are lost and lonely.
Thank you for meeting us in Jesus, our Lord and our God.
We are your Easter people.
Hallelujah. Amen.

Holy Days for this month

Let's take a look at some significant days and why they are special

8TH APRIL – LADY DAY OR THE ANNUNCIATION

This beautiful event (Luke 1:26-38) took place in Nazareth, when Mary is already betrothed to Joseph. The Archangel Gabriel comes to Mary, greets her as highly favoured, tells her not to be afraid, that she will bear a son Jesus, and that her elderly cousin Elizabeth is already pregnant (with John the Baptist).

The church calendar is never quite as neat as some would like it. To celebrate the Annunciation on 25th March does indeed place the conception of Jesus exactly nine months from His birth on 25th December, but the latter part of March almost inevitably falls during Lent. But the birth and death of Jesus are intrinsically linked – He was born to die, and thus fulfil God's purposes.

The Annunciation is a significant date in the Christian calendar – it is one of the most frequent depicted in Christian art. Gabriel's gracious strength and Mary's humble dignity have inspired many artists. Certainly, Mary's response to the angel has for centuries been an example of good faith in practice – humility, enquiry of God, and trusting acceptance in His will for her life.

23RD APRIL – ST GEORGE'S DAY

– The golden legend

The Saint of an English Army before he was Patron Saint of England, St George may have been a soldier, but he was no Englishman. Some stories say that he was an officer in the Roman army under Diocletian, who refused to abandon his faith during the Terror, and was martyred at Lydda in Palestine about the year 300 AD – supposedly 23rd April. Over the years St George became the example of a Christian fighting-man, a powerful helper against evil powers affecting individual lives. He was the soldier-hero of the Middle Ages, of whom remarkable deeds were reported.

In the Golden Legend of the 13th century, Jacobus de Voragine gave St George a handsome write-up. The story runs thus:

One day, St George rode up to the heathen city of Sylene in Lybia, where he found the citizens in great distress. A neighbouring dragon had forced them to surrender two sheep each day for its dinner, and when the sheep gave out, two of their children; and now they were about to sacrifice the King's daughter, dressed as if for her wedding. St George encountered the little party by a stagnant lake, where the dragon lived, and persuaded the sobbing Princess to tell him why she was so miserable. At that moment the dragon appeared, looking inexpressibly revolting. St George charged forwards and drove his spear into the dragon's gaping mouth. To everyone's amazement, he tumbled the monster over and over.

Then St George borrowed the Princess's girdle, tied it round the dragon's neck, and persuaded her to lead it back to Sylene herself. The sight of her approaching with the befuddled dragon on its makeshift lead emptied the town. When the inhabitants timidly crept back, St George promised to behead the dragon if they would all believe in Jesus Christ and be baptised.

It was a most effective form of evangelism, for everybody said 'yes' at once. So, 15,000 people were baptised, and four carts were commissioned to remove the dragon's body.

St George thus became a symbol of the war against evil, and he is usually portrayed trampling the dragon of sin under his horse's hoofs. The Crusaders had a vision of him helping them against the Saracens at Antioch, during the first Crusade, and so brought the story of St George back with them from Palestine. Presently England put herself under the protection of the Saint. His day was declared a holiday in 1222. A red cross on a white field is the flag of St George.

27TH APRIL – ZITA

-the long-suffering servant girl of Lucca

If you have ever been in trouble for simply doing good, then Zita is the saint for you. Born in 1218 to poor but devout parents in Monsagrati, Zita was sent at the age of 12 to work as a servant for the rich Fatinelli family in nearby Lucca.

Zita was pious, generous and hard-working. Oddly enough, all three traits got her into trouble. For one thing, the other servants hated her for her devotion to prayer and to doing her work perfectly. When Zita said that 'a servant is not holy if she is not busy,' they were furious, and bullied her.

The Fatinellis were also annoyed with Zita. They had discovered that she felt such compassion for the poor of the town, that she would often give them gifts of their food. So, they took to beating her.

Then came the day that Zita was supposed to be baking – but she left it halfway through in order to go and help someone in dire need. The other servants told the Fatinellis, and everyone rushed down to the kitchen, expecting to find disaster. Instead, the story goes that they found an angel, finishing the baking.

Well, how can you be angry with someone whom the angels help? It was a wake-up call for both servants and family, who began to feel ashamed of themselves. Soon Zita's patient endurance and consistent goodness won her their deep respect and increasing affection. She was placed in charge of the household.

As the years passed, Zita became locally famous for helping the sick, the poor and the imprisoned. Soon after her death a popular cult sprang up. Chapels were named in her honour as far afield as Palermo and Ely. In England she is known as Sitha, and she has traditionally been invoked by housewives and domestic servants, especially (for some reason) when they lose their house-keys.

To spend an hour worrying on our knees is not prayer. Indeed, there are times when it is our duty, having committed a problem to God in prayer, to stop praying and to trust and to do the necessary work to arrive at a solution. – *Oliver Barclay*
